

Field Trip Reminder:  
UW Engineering Fair \*\* Thursday, April 25<sup>th</sup>, 2019

Student name: \_\_\_\_\_

You are all ready for the field trip!

You are missing:    \$5.50 FEE                      PERMISSION SLIP

Chaperone List: Somer Christensen, Nikki Herd, Jake Koehnen, Carlos Menjivar, Beth Padilla, and Celeste Rothlisberger

Your child will need a backpack to carry their sack lunch. It is recommended that most of their lunch be disposable so that they don't have to lug a heavy pack around with them all day. They will also want a little room in their backpack to store any "souvenirs" they may receive from the different exhibits.

Chaperones will also want to pack a sack lunch and bring a backpack to carry their belongings in.

Students and adults should dress appropriately for the weather. The exhibits are both outdoors and indoors and we will be doing a lot of walking around campus.

For this field trip, we must leave before the school day begins. It is your responsibility to figure out how you will get to school by **8:30 AM** (we leave at 8:45). You can follow your regular plan to go home. Talk to your family about how you will get to and from school. Then complete the bottom part of this page, **CUT IT OFF**, and return it to school so your teacher knows you have a plan. DUE: April 24<sup>th</sup> at the latest!
