Mrs. Becky Panesko

**Welcome to 5<sup>th</sup> Grade!**

I am pleased to welcome you to the 2023 - 2024 school year! I am looking forward to having your child as a student. Fifth grade is such a fun year with so many wonderful learning activities to celebrate. In order to have a fun year, my most important goal is to create a family of learners in my classroom. I am committed to creating a classroom environment where your child is a valued, trusted, and integral part of our family of learners. In order to accomplish this, I have planned a variety of activities to emphasize and reinforce this goal. It is my hope that you will support and encourage this vision at home.

**About Me**

Hello! I am Becky Panesko, and this is my 23<sup>rd</sup> year teaching 5<sup>th</sup> grade. I currently live in Carnation with my husband JP and our two children. JP and I met in Kirkland, WA, and have been together for 26 years! Our daughter, Emmeline, is 15 1/2 years old, and our son, James, is 14 years old. They keep us busy!

I attended both Northwest University (GO EAGLES!) and University of Washington in Bothell. I received my Bachelors of Arts in Elementary Education with an endorsement in English as a Second Language at NU. I received my Masters in Education from UW in Bothell.

**Contact Me**

I welcome and value parent involvement throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
