

Camp Waskowitz Here We Come!

Who: Carnation Elementary 5th grade students only

What: Outdoor School

When: Tuesday, May 28th – Friday, May 31st

Where: Camp Waskowitz (in North Bend)

Why: Because there's more to the world than what can be learned in a classroom!

Total Cost: \$125.00 – Please Pay via eFunds by May 2024

Dear 5th grade Families,

As a part of the educational experience here at Carnation Elementary, all 5th grade students have the chance to attend an overnight Outdoor School experience. We attend an Outdoor Education facility called Camp Waskowitz in North Bend for four days of scientific and environmental education. During the experience, students sleep in cabins with trained high school leaders, eat at the acclaimed dining hall and learn in the great outdoors with their classroom teacher and others. **To learn more about Camp, you can attend the open house on March 3rd** (see other side) and explore the [slides for Families & Students](#) (QR code below).

This year, our school has received a grant to lessen the cost of this experience for students. **The cost per student will be \$125.00.** While we will not be holding a fundraising event at the school, our marvelous PTSA does have partial scholarships available to support students. Please contact your child's teacher or the school office for a scholarship form if you are in need. School attendance is still expected even for students who choose not to attend our Outdoor Education Experience.

Formal paperwork (permission slips, what to pack, etc) will be sent home in April. **However, to help us with our planning for this event, we ask that you return the bottom portion of this page to your child's teacher by Thursday, February 1st.** And, as always, if you have any concerns, questions, or worries about your child attending camp, please contact us!

Sincerely,

Ms. Isler, Mrs. Panesko & Mrs. Dix

Please check the box that is true for you, cut off and return to your teacher.
